The screenshot shows the Eclipse IDE interface with the 'CohortDetails.test.js' file open. The code in the editor includes several Jest tests for the CohortDetails component. The terminal window at the bottom displays the output of the test run, indicating that all tests passed successfully.

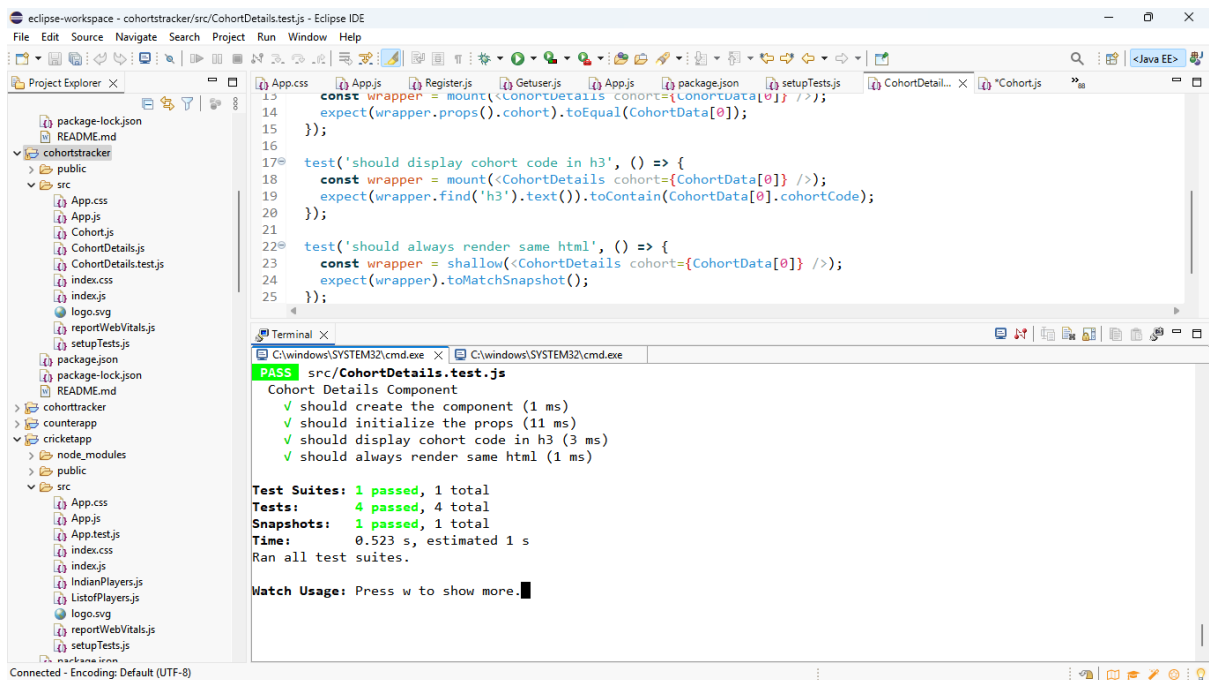

```
const wrapper = mount(<CohortDetails cohort={CohortData[0]} />);
expect(wrapper.props().cohort).toEqual(CohortData[0]);

test('should display cohort code in h3', () => {
  const wrapper = mount(<CohortDetails cohort={CohortData[0]} />);
  expect(wrapper.find('h3').text()).toContain(CohortData[0].cohortCode);
});

test('should always render same html', () => {
  const wrapper = shallow(<CohortDetails cohort={CohortData[0]} />);
  expect(wrapper).toMatchSnapshot();
});
```

Test Suites: 1 passed, 1 total
Tests: 4 passed, 4 total
Snapshots: 1 passed, 1 total
Time: 1.417 s
Ran all test suites.

Match Usage
Press f to run only failed tests.
Press o to only run tests related to changed files.
Press q to quit watch mode.
Press p to filter by a filename regex pattern.
Press t to filter by a test name regex pattern.
Press Enter to trigger a test run.

This screenshot shows the same Eclipse IDE interface, but with a more detailed test output in the terminal. It includes the file path 'src/CohortDetails.test.js' and lists individual test results with their durations. The overall status remains 'PASS'.

```
PASS src/CohortDetails.test.js
Cohort Details Component
  ✓ should create the component (1 ms)
  ✓ should initialize the props (11 ms)
  ✓ should display cohort code in h3 (3 ms)
  ✓ should always render same html (1 ms)
```

Test Suites: 1 passed, 1 total
Tests: 4 passed, 4 total
Snapshots: 1 passed, 1 total
Time: 0.523 s, estimated 1 s
Ran all test suites.

Match Usage: Press w to show more.
